1) SOME QUICK THOUGHTS & NOTES:

Welcome to ALTOGETHER LOVELY BIBLE SCHOOL. As we looked at many Bible Schools we saw a real need of discipleship while studying. That is, encouraging people to become more like Jesus Christ. Therefore our purpose for this school is:

BUILD GOD'S KINGDOM as you study and grow in Christ.

The courses here help people to first of all, grow in Christ. Then to share Christ with others. These are not “theological” courses although there are great doctrines throughout the material. They are geared more for people who have a real passion to know Jesus and make Jesus known throughout the world.

For this reason, we have put this Bible School online so people can use it for FREE!! Freely we have received and freely we give!! The only thing we ask is not to charge people anything more than your expenses. But, we can't speak for how God would lead you. We did try to make this Bible School accessible to “all”. Whether the student is rich or poor, Altogether Lovely Bible School has something for everyone.

We also proudly say that this school is “unaccredited” by man but ACCREDITED by GOD!! Accreditation is important but we decided to go this way because:

- 1) our format is for people to be mentored and discipled,
- 2) we want to keep costs down so most everyone can learn and grow in Christ,
- 3) we want people who have a heart for Jesus to be able to start a ministry such as this,
- 4) this Bible School is more geared up for learning about Jesus “experientially” than “academically”.

The story is told of the man who got saved and filled with the Holy Spirit. He began to minister and have a powerful ministry. Then one day someone said, “What Bible School did you graduate from?” So he thought he should go to Bible School. As he studied, he went from a heart for Jesus to a carnal mind trying to learn. After a while, he set down all the books, picked up one book – the Bible, asked God to forgive him and fill him with Jesus again, and his ministry took off again. No, there is nothing wrong with Bible School but we felt strongly that this school should have people actively ministering and actively being discipled so that Jesus' command to “Go and make disciples” is relevant, & prevalent.

So brothers and sisters, consider starting this Bible School as your ministry in your home, church, etc. and watch as people start to become closer to Jesus Christ.

May our Lord Jesus Christ richly bless you as you BUILD GOD'S KINGDOM as you study and grow in Christ!!

Evangelism 501	www.altogetherlovely.org/know-god

Discipleship 502	www.altogetherlovely.org/know-god	
Read “Discipleship” at the bottom. Spend 20 hours writing a discipleship course & 24 hours discipling someone. Ask God to lead you into the best experience for you.		
Discipleship 503	www.altogetherlovely.org/resources	1) THE GOSPEL
Read this extensive file on the Gospel and Christian Doctrines. You can make notes, write/memorize bible verses on topics or doctrines, find a comfortable way for you to share the Gospel, and/or write out doctrinal definitions and bible verses.		
Evangelism 504	www.altogetherlovely.org/resources	2) GOD IN YOUR HEART
This is an amazing file. Read the teaching. Then learn to share the Gospel with someone. You will first share “YOU IN CHRIST” using the three “wheels” showing the “spirit/soul/body”. Then “CHRIST IN YOU” using the “lines” showing “how we used to be in Adam and how we are now in Christ”. This is called the “WHEEL and the LINE” and is a very effective method to present the Gospel to individuals, bible studies, and large groups. A “MUST” for any true evangelist to learn!!!!		
Evangelism 505	www.altogetherlovely.org/resources	5) WHO DO YOU SAY I AM?

Evangelism 506	www.altogetherlovely.org/resources	6) Proof Jesus Was the Messiah

Go through the prophecy and fulfilled prophecy – then write out the ones that would be worth sharing with someone. Then memorize them so you can share them to someone or teach about this topic.		
Grace 507	www.altogetherlovely.org/resources	7) GRACE AND THE CHRISTIAN
The topic of Grace is often misunderstood. Take time to read this teaching and meditate on what is being said. The Holy Spirit needs to truly reveal to us exactly what was done at the cross and through Christ’s resurrection. Then take time to learn how to share on this topic to an individual or group.		
Salvation 508	www.altogetherlovely.org/resources	8) ASSURANCE OF SALVATION
Can we truly know we are saved? Read this teaching, meditate on your own “assurance of salvation”, and then memorize verses that speak to your heart. A saint should be able to present the Gospel and also be able to share with someone how they can have the “ASSURANCE THAT THEY ARE SAVED AND GOING TO SPEND ETERNITY IN HEAVEN WITH GOD.”		
Our Identity 509	www.altogetherlovely.org/resources	9) OUR IDENTITY

The Trinity 510	www.altogetherlovely.org/resources	10) THE TRINITY
Take time to read this teaching. This is actually more about proving that The Holy Spirit is God. Read the teaching and ask God for revelation as you meditate on what God is showing you. Learn how to share the Divinity of the Holy Spirit as well as becoming comfortable sharing verses about Him.
