

**CHRISTIAN POEMS by Eleanor Daniels (Burns Lake, BC)**

**STAND ON MY WORD**

**When the enemy come in with violent attack  
That hits you hard and staggers you back  
And around you many voices are heard  
Then look to me and stand on my word**

**Bring to me your hurt and pain  
I'll lift you up and restore you again  
My words to you are life and light  
For it's not your battle-it's my fight**

**Stand on my word with all your heart  
As my love and strength to you I impart  
For in the power of prayer on bended knee  
The enemy is defeated and has to flee**

**Stand on my word both day and night  
I am your shield on the left and the right  
Lift your praises in worship to me  
As you go forth in victory**

**As you stand on my word and live for me  
My light through you will shine for all to see  
And as you travel over earth's sod  
You are the mighty men and women of God**

## **DAUGHTER OF GOD**

**Daughter of God I love you without measure  
To me you are a priceless treasure  
I long to draw you close to my heart  
As my love to you I impart**

**You are my child precious and rare  
And I want to enfold you deep within my care  
Erasing away the hurt, pain and shame  
Restoring you to complete wholeness again**

**Daughter of God you do not see yourself as I do  
As I've washed you with my Spirit through and through  
From the inside you have grown  
Set apart to become my very own**

**Special Daughter upon you my anointing will shine  
For I am yours and you are mine  
In my spirit you will flow free  
As you come into a deeper walk with me**

**Daughter of God I'll take you to new heights with me  
Opening your mind and eyes to see  
All the plans and wonders I want you to do  
Through my life lived in you**

**Beautiful Daughter upon you my Spirit will burn  
And as you blossom you will in turn  
Reach out in my love to someone today  
Showing them I am the light and the way**

**DEEPER AND DEEPER**

**Deeper and deeper, Lord we want to go  
Deeper in your Spirit to flow  
With your presence saturate our soul  
Oh, Lord, let the Holy Spirit blow**

**Burn the flame of your Spirit upon our heart  
As for you we are set apart  
Oh, Lord, refresh us anew  
With deeper revelation of you**

**Deeper and deeper, Lord, in your love  
As you lift us high above  
Into beautiful total release  
Of joy and inner peace**

**Draw us, Lord, into heavenly places  
Your glory glowing upon our faces  
To lift our love and worship in depth anew  
Deeply and completely lost, Lord, in you**

**THERE IS A FIRE**

**There is a fire burning deep within my soul  
It's burning and growing and won't let me go  
The desire to reach out and tell people today  
That my Lord Jesus Christ is the light and the way**

**If only they knew his love within  
They would be free from all guilt and sin  
And as they came to know and came alive in God  
Their pathway of life would be more easily trod**

**Help me, Lord to stop and pray  
For all the needy souls today  
May all self be set apart  
As the fire of your love burns within my heart**

**May your reflection clearly show  
As the fire of your Spirit sets me aglow  
With your compassion, mercy and grace  
To reach out to a dying and lost human race**

**May the fire of your glory shine through  
As I live my life for you  
Let my action, word and deed  
Show you are the answer,  
Lord-you are what they need**
